Not all ETFs are available at all firms. Please check with your firm for availability.

***There is no guarantee distributions will be made.**

Carefully consider the Fund's investment objectives, risks, charges, and expenses before investing. This material must be accompanied by a BDRY and BWET prospectus. This and other information can be found in the Fund's statutory and summary prospectuses, which may be obtained at AmplifyETFs.com. Read the prospectus carefully before investing.

¹Formerly Amplify Bitcoin 24% Premium Income ETF.

²Investing in freight futures can be volatile and is not suitable

ETF-PL-0525

for all investors. [BDRY Prospectus](#) | [BWET Prospectus](#). BDRY and BWET are exchange traded commodity pool funds and are not a mutual fund or any other type of investment company within the meaning of the Investment Company Act of 1940, as amended, and are not subject to regulation thereunder.

Investing involves risk, including the possible loss of principal. There can be no assurance that the Funds' investment objectives will be achieved. Shares of any ETF are bought and sold at market price (not NAV), may trade at a discount or premium to NAV and are not individually redeemed from the Fund. Brokerage commissions will reduce returns.

Amplify ETFs are distributed by Foreside Fund Services, LLC.
