

Amplify International Online Retail ETF

The following Frequency Distribution of Premiums and Discounts chart is provided to show the frequency at which the closing price of the Fund was at a premium (above) or discount (below) to their daily net asset value (NAV). The chart represents past performance and cannot be used to predict future results. Shareholders may pay more than NAV when buying Fund shares and receive less than NAV when those shares are sold because shares are bought and sold at current market prices.
